**A brief note before we meet for your consultation today:**

We understand that all of our patients have many options and choices to choose from. We are very grateful that you have given us today the opportunity to participate in your care. And we also thank you for taking the time to review and complete these forms.

We routinely follow-up with all of our consultations a few days afterwards to answer any additional questions that you may have, as well as, to inquire on how your experience was with us today.

Patient satisfaction is one of our highest goals.

Sincerely yours,

Dr. Maggi, and staff.
