I am a mother of two, who had been hesitant to have surgery because of the cost and recovery. However, Dr. Maggi and his entire staff were very informative and helpful with all my questions and concerns. I would recommend Dr. Maggi ~~for~~ to all my friends and family! My results were better than I could ever imagined!

I was a bit nervous when I first had my consult, but once I met Dr. Maggi and some of the other staff, I was put at ease! My procedures went well and I told exactly what to expect. Kelly, the nurse was great, she even gave me her home # in case I needed her for the 1st few days after my procedure! I can't say enough good things about Dr. Maggi + his staff! ☺
